

Dear Teacher:

We would like to invite your school to the 2016 Miles for Music 1 Mile Run/Walk & 5K on Sunday, March 20th at 12:30pm at Johnson Park – Highland Park, NJ. The Miles for Music 1 Miler & 5K is a great way to get kids excited about physical education, music education, community involvement, and reward them for their accomplishments.

Enclosed are entry forms and a flyer for promotion of the event within your school. If you would like additional entry forms, please let us know and we would be happy to send you enough for every student.

As a teacher, you decide how active a role you want to take in the event. You can register your students as a group, or have them register individually.

1. Registering as a Group

Some schools have incorporated the Miles for Music event into their fitness, music or community service projects program and have registered as a group. As a leader of the group, the teacher makes sure the kids get signed up and then collects the group's bibs and meets the kids on March 20th at Johnson Park in Highland Park, NJ. There, the teacher hands out the bibs, and then corrals the kids into the starting area so that they can run/walk together as a team. If you would like to register your school as a group, please see the enclosed Group Registration Instructions.

2. Registering as an Individual

Many teachers let the parents take the lead and just make the information available for the kids to take home. The parents take on the role of registering the kids individually. Parents pick up the bibs and may choose to run with their kids on Race Day.

Whichever method you choose, we look forward to you joining us at the Miles for Music 1 Miler & 5K!

If you need more information or flyers, please feel free to contact the Miles for Music crew at 908.400.3546 or email us at asimpson@milesformusic.org.

Sincerely,

Anne Simpson
Music Teacher, Runner, Race Director
